

Doodle got a fresh look – What’s new?

MyDoodle

It’s our holy-grail to keep Doodle an easy and hurdle free experience, i.e. no registration neither an email is required. However, users who run several polls simultaneously might be happy about MyDoodle. With the new page set-up it is possible to log in to MyDoodle from any page without losing any information.

Participation page

On the new participation page you find the different poll functions like edit, delete, comments, export etc. New and easier is the handling of tables with a large number of poll options. We provide you an infinite scrolling pleasure while the name column stays fixed on the right side.
